AS “EXPORT AGENTS”

JL Global Services & Brokers’s Global Commodities is a group of professionals on International Trade who develop Colombian Commodity Strategies for Global Markets. Our core business is sourcing, supplying and trading coffee, seafood, oil, fruits and exotic products, meat, petroleum products, bulk commodities, flowers, vegetable oil, minerals and Emeralds.

We have expanded our portfolio and we analyze each marketplace developing strategies to create the most efficient supply chains to satisfy every client’s demand, no matter how unique or challenging the situation may be. Our focus is on the safety and security of our clients and suppliers, creating a simple timely process causing synergy with all parties involved. JL Global Services & Brokers’s Global Commodities handle both spot transactions and long-term contractual agreements with the most direct pricing in the industry.

THE BEST COMMODITIES FROM DIFFERENT COUNTRIES...

...FOR YOUR SUPPLY CHAIN!
